# Community forum on playgrounds in Page Park and Willoughby Park Monday, September 9, 7:30 p.m. at the Village Center

As reported previously, the Village Council has hired a landscape designer to develop plans to install playground equipment in Willoughby Park (below left) and Page Park (below right) as part of the Village's Centennial celebration. The concept is to install playground equipment in the lower grassy oval in Willoughby Park for kids ages five and under. Playground equipment in Page Park would be for older children.

**There will be an open forum at the Council meeting on Monday, September 9, at 7:30 p.m., for residents to express their views to the Council on this issue.** The Council encourages all interested residents to come and speak. The landscape designer will be in attendance but will not make a presentation. She will be there to listen to the community's input before developing plans for Council consideration.
