

## **Taxi Service in Friendship Heights**

As convenient as our shuttle bus is, sometimes it is still necessary to call a taxi. We have recently heard from some residents that taxis will not always respond to requests for short distances. Some residents also thought that there was only one taxicab company serving the Village. Our information is that the following taxicab companies serve Friendship Heights:

**Action Taxi 301-840-1222**

**Barwood Taxicabs 301-984-1900**

**Orange Taxi 301-912-0000**

**Regency Cab 301-990-9000**

All will pick up in Friendship Heights but may need an advance reservation. Companies are regulated by Montgomery County and are required to take you where you want to go. Complaints should be directed to the County's 311 information line.
