Stay Safe, Wear a Mask!

The Village Council encourages all residents and visitors to follow Montgomery County/State guidelines for wearing face coverings. The County requires everyone to wear a face covering in public, except for children under the age of two and individuals with a health condition or disability that makes it difficult to wear a face covering.

Face coverings are required on public transportation (e.g., the Village shuttle bus), and in grocery stores, restaurants (except while eating), retail businesses that are open, hair salons, fitness centers, and outdoor markets, as well as during exercise or while interacting with people outdoors when physical distancing is not possible.

Please do your part to help keep our community safe!
